CORE COMPETENCIES

Stairwell & Building Evacuation Egress

Full HALO Evacuation Chair line — Swift, Power (motorized), Mini, Lift, Curve (spiral stairs), Ultra (500 lb bariatric). One-person operation; NFPA 101 §7 + IBC Areas-of-Refuge aligned. FDA Registered · ISO 9001/13485 · TAA-compliant (UK).

PRM / Patient Transfer & Handling

ProMove Transfer Kit — the PRM transfer sling European aviation and healthcare teams trust for repositioning where a chair or lift can't be used. NAICS 339113 / PSC 6515. DOT ACAA (14 CFR 382) + FAA Part 139 aligned.

Power Continuity & Preparedness Kits

NUE SunCase mobile solar power stations (605 / 2425 / 3651 — 537 Wh to 5.12 kWh, pure sine, scalable to 25 kWh) and 72-hour Outpost Go-Bag Essential+ kits for continuity of operations.

Preparedness Consulting & Training

Needs assessments, EAP/COOP development, tabletop exercises, and on-site operator training with electronic certification.

DIFFERENTIATORS

- ▶ **Veteran leadership** — 20 years USMC combat-tested logistics in high-stakes, mission-critical environments.
- ▶ **Certified SDVOSB + VOSB** — eligible for federal set-aside and sole-source authority; VA Veterans First priority.
- ▶ **Direct US channel for HALO** — manufacturer authorization on file; US stock, US invoice, US warranty response.
- ▶ **Consulting-first** — we start with strategy and stress-tested plans, not just product.
- ▶ **Rapid US fulfillment** — no overseas lead times; national install + training radius.

PAST PERFORMANCE

ATM — LAX's largest PRM operator

Deployed ProMove PRM transfer kits with consultative support to strengthen passenger-with-reduced-mobility readiness at Los Angeles International Airport.

Kansas Department of Labor — State Contract

Evacuation-chair procurement for a state agency, including delivery and operator training.

His Wings Ranch — Adaptive Youth School (Nonprofit)

Donated a ProMove PRM transfer sling and delivered hands-on operator training to staff for safe ADA transfers of youth with disabilities.

Residential Care Facilities (RCFEs)

Risk assessments and tailored consulting — actionable one-pagers and compliance checklists — supporting operational readiness for administrators.

No-Lone Wolves & Gaits to Healing (Nonprofits)

Emergency preparedness kits, training, and resilience programming for at-risk, first-responder, and veteran communities.
